Series Editors: P. Spagnoletti, M. De Marco, N. Pouloudi, D. Te'eni, J. Vom Brocke, R. Winter, R. Baskerville

Lecture Notes in Information Systems and Organization – LNISO – is a series of scientific books that explore the current scenario of information systems, in particular IS and organization. The focus on the relationship between IT, IS and organization is the common thread of this collection, which aspires to provide scholars across the world with a point of reference and comparison in the study and research of information systems and organization. LNISO is the publication forum for the community of scholars investigating behavioral and design aspects of IS and organization. The series offers an integrated publication platform for high-quality conferences, symposia and workshops in this field. Materials are published upon a strictly controlled double blind peer review evaluation made by selected reviewers.
